

SUPPOSE you have a house which, with its furnishings, is worth \$5000. If uninsured, it is worth \$5000 at just one time—the instant you claim it yours. At all other times it is only prospectively worth its cost, because of the chance of fire.

If insured against loss by fire, that \$5000 house is ALWAYS worth \$5000 to you—even if the actual house is in ashes!

SAYS ELOPING DAUGHTER HAS MADE MISTAKE

"I did not want my daughter to marry at all. My heart was set on her finishing at the Normal school and getting a diploma. I worked for four years to get her through school, only to have her deceive me at the last, and run away to get married. She is making a great mistake."

Such is the statement of Mrs. Mary J. Dickson, mother of Mrs. Albert Erskine, the young girl who figured in an elopement and wedding on September 28. The mother says that the statements of the young couple that she is harsh, stern and unforgiving are cruel and untrue, but that she is finding it very hard to reconcile herself to the situation.

"People have misrepresented my part in this whole affair," said Mrs. Dickson yesterday, asking the newspapers to give her story to the public. "It has been said that I tried to get my daughter to marry a certain young man in this city. That is not true. He is a fine young man, but Myrtle had only a few more months to go to school and then she could have got a school and been self-supporting. For four years I had worked hard, going out nursing, to see that she got an education."

Myrtle signed a paper promising me to go to school and forget her love affairs. But she didn't. While I was gone from the house, she slipped out and telephoned to her sweetheart and they were married. I went down to the Hotel Aubrey to see her and talk with her, but they would not see me. Does that sound as if I were hard and unforgiving? They have never asked my forgiveness."

Mrs. Dickson says that she would not have objected to her daughter's marriage had the girl finished her normal school work, but that she wished her to be in a position to be self-supporting if she would ever be thrown on her own resources.

POUNDKEEPER IS REQUESTED TO QUIT JOB

With the exception of the report made by the civil service commission through Chairman Wirtz to the board of supervisors, the meeting of that body was confined to routine business.

The resignation of F. W. Beckley, Kalih pound master, was called for. Beckley had asked for more money for his pound work, and declared if it were not paid him he would not be responsible for strays. The police committee recommended to the board that Beckley had better be asked to resign and let the present stray officer act in his place.

MOTHER! IF CHILD'S TONGUE IS COATED

If cross, feverish, constipated, bilious, stomach sour, give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!—advertisement.
